## About the book

One of the most important skills when learning English for the IELTS test is having a wide range of vocabulary, for recognition and production. This will enable you to score well in all the 4 skills.

The topics presented in the book are the most common ones used in the IELTS Speaking and Writing tests.

### Who is the book for?

IELTS Vocabulary Topics Target 7.0 is suitable for all IELTS students who want to build their vocabulary resource and especially those whose target is a minimum band score of 7.0. Additionally, the book can be used as a classroom resource by IELTS teachers.

### How to use the book

You can work through the units, one by one or focus on topics that you feel you need to improve upon.

- The topic vocabulary lists can be used as a foundation or addition to your own vocabulary records.
- Add more words, phrases, collocations and idioms to your lists when you find them in various sources.
- Review your vocabulary lists regularly.
- Practice using vocabulary in context by including them in your speaking and writing practice.

### Unit contents

Each unit is divided into 4 sections.

- The **topic word lists** have high level nouns and adjectives and a pronunciation guide according to the International Phonetic Alphabet (IPA),
- The **verb + noun collocations** range from basic to advanced.
- The lists of **idioms** can be used, especially, in the IELTS Speaking test and General Training Writing Task 1 - informal letters.
- Each unit has **practice activities** that review the topic vocabulary.

### About the authors

# IELTS

## Vocabulary Topics

### Target 7.0

#### Who is the book for?

IELTS Vocabulary Topics Target 7.0 is suitable for all IELTS students who want to build their vocabulary resource and especially those whose target is a minimum band score of 7.0. Additionally, the book can be used as a classroom resource by IELTS teachers.

#### How to use the book

You can work through the units, one by one or focus on topics that you feel you need to improve upon.

- The topic vocabulary lists can be used as a foundation or addition to your own vocabulary records.
- Add more words, phrases, collocations and idioms to your lists when you find them in various sources.
- Review your vocabulary lists regularly.
- Practice using vocabulary in context by including them in your speaking and writing practice.
- 

#### Unit contents

Each unit is divided into 4 sections.

- The **topic word lists** have high level nouns and adjectives and a pronunciation guide according to the International Phonetic Alphabet (IPA),
- The **verb + noun collocations** range from basic to advanced.
- The lists of **idioms** can be used, especially, in the IELTS Speaking test and General Training Writing Task 1 informal letters.
- Each unit has **practice activities** that review the topic vocabulary.
